In »Peer Gynt from Kosovo«, Kosovan author Jeton Neziraj tells the story of a young man, who has spent nearly 20 years of his life legally and illegally in Sweden and Germany. It is a story full of adventure and shocking drama that gives us profound insight into the reality of European migration.

This authentic story, told with a great sincerity, is a reflection on the fates of thousands of young immigrants in Europe who, when faced with a life crisis, often lose contact with the ground underneath their feet and turn to crime to survive.

THE PRODUCTION HAS BEEN DEVELOPED IN PRISHTINA, KOSOVO
WITH ACTORS FROM SWEDEN, KOSOVO, ALBANIA AND GERMANY.

AFTER THE PREMIERE IN GERMANY, ON 11TH OF MAY 2014, THE PLAY WILL TOUR IN THE BALKAN
IN MAY 2014 AND THAN IN SWEDEN IN SEPTEMBER 2014.
